Garden Series

2018 Pinot Noir 90 rating Wine Enthusiast Magazine

"Previously bottled under the Spindrift Cellars label, this has been rebranded as Compton Family, with the same winemaker and ownership. Fragrant and inviting, this has scents of pollen and flavors of ripe raspberries and sweet maraschino cherries. Though not a big wine, the concentration is sufficient and the herbs are lightly shown. All in all, quite pleasurable and a fine value."

Garden Series

2018 Pinot Gris 91 rating Wine & Spirits Magazine

"Just a tiny amount of this well-priced gris is in the market. Snatch it up. It's toasty and bright, with a faint resemblance to a leesy Champagne. Its toasted lees and candied-apple flavors are driven by a soaring high note of acidity that gives the wine a bracing, mouth watering finish for seafood, like scampi."
