3 Pigs Pinot Noir
New Release
\$28/\$22.40 club

With this wine we celebrate our farm-to-table philosophy. This pinot is named after our 3 KuneKune pigs on the farm. These special pigs are grazing pigs that are short in stature and they also have short snouts. The pigs add to the diversity of grazing in the vineyard, and they are just the right height as to not disturb plants as they grow. A lovely Pinot Noir this wine was made specially for our wine club members.
