

COMPTON  
FAMILY WINES.

2019 Chardonnay

Classic Oregon Chardonnay with a perfumed nose of citron, white flowers, and vanilla. Old vine 108 Chardonnay clones is a rare find. Balanced acidity, juicy fruit, delicate stone fruit – white peaches & white nectarines the finish is crisp and refreshing. The wine is pressed and placed in the concrete egg to ferment then age until the wine is bottled. With no corners, the wine is free to circulate naturally during fermentation as it stays cool on its own which increases the flavors. As the wine ages the lees settle down the lower sides of the egg giving a creamer mouth feel.
